Cllr I D Ould reported on current County Council business. The primary local issue was a proposal to build 450 new homes on land between the A447 and Osbaston/Barlestone. This followed H&BBC losing an appeal at Burbage on the grounds that it had not allocated enough land for projected housing needs for the next 5 years. The appeal hearing for the Good Friday site had been scheduled for June, and had resulted from H&BBC's failure to enforce the conditions of a previous appeal decision. There had been no increase in crime or traffic accidents in the four years since street lights had been switched off between midnight and 5 am. Cllr Ould (Chairman of the F40 Lobby Group), **was congratulated** on achieving an increase in government funding for Leicestershire schools of £202/child pa.

In the event of a claim for fraud, the insurers would require evidence that such checks had been carried out.

**It was noted** that the PC operated only one current bank account; that elected Councillors were the only signatories to this account; and that two signatures were required for all cheques

and transfers of money from this account. Two savings accounts were linked to the current account, and could only transfer money to and from this account. The HSBC savings account was operated by written transfer instructions requiring signatures from two Councillors. The Barclays savings account was operated by telephone instructions from one of three authorised Councillors; deposits to this account were made by cheque.

**It was resolved** that the Responsible Financial Officer be required to prepare a full reconciliation of the HSBC Current Account every month within one week of the receipt of each statement; that this reconciliation be checked against the original documentation by a Councillor; and that the Councillor making the check be required to sign and date the original bank statement to show that this had been done. **It was resolved** that the current system of quarterly financial reports with full reconciliations be continued.
