

## **Northfields Liaison Group**

### **Annual Report to Carlton Parish Council**

**2018**

During the Council year 2017/18, only one meeting of the Group was held in April 2018. There was a very sparse agenda for the meeting, there being no substantial issues to be discussed. The absence of issues is a testament to how well the development has integrated into the life of the village.

The Constitution of the Group requires a meeting to take place at least once a year. A proposal has been made that meetings only take place when there is an issue to be discussed to avoid calling unnecessary meetings. This approach was supported by the Parish Council at the April meeting. Nottingham Community Housing Association is consulting relevant parties to determine whether this change can be agreed.
