

## Spring Clean Litter Pick – 21<sup>st</sup> March 2021

This event was exceptionally well supported. 41 volunteers managed to clear the roads between Carlton and Market Bosworth, the Marina, Congerstone, Barton in the Beans and

*Group mascot Orinoco Womble with the rubbish collected*

Osbaston as well as Gibbet Lane. We collected more than two cubic metres of rubbish, mainly bottles, cans and food packaging, although spent gun cartridges, tyres, a smashed cathode ray TV tube, a Sat-nav and bedding added to the variety.

Prizes were awarded as usual for the most useful, most interesting and most disgusting finds, and a new category – most decorative item- was added this year. Thank you to all the pickers and thank you also to the Hinckley and Bosworth Borough Council Clean Neighbourhoods Team who loaned equipment, provided refuse sacks, and collected the rubbish. I hope you will be able to join our 30th Anniversary Litter Pick in March 2022!
