

# **Keep Carlton Tidy Group**

## **Annual Report 2011-12**

Irene Peat reported that over the past 12 months, volunteers from the Keep Carlton Tidy Group had collected 3 black sacks and 85 carrier bags full of rubbish from highway verges between Carlton and neighbouring settlements. Over the same period, four fly tipping incidents had been reported and cleared by the Borough Council.

The Annual Spring Clean Litter Pick had taken place on Sunday 11<sup>th</sup> March. Seventeen volunteers had cleared about 4m<sup>3</sup> of litter from roadside verges and ditches between Carlton village and the Wellesborough Rd, Congerstone canal bridge, Barton in the Beans, the Green Lane, Lount Road bridge, and the Dixie Playing Fields entrance. Prizes had been awarded for the most interesting, most disgusting and most useful items discovered. H&BBC had kindly provided sacks and gloves, loaned extra grabbers and high visibility vests, and collected the rubbish.
