Annual Report to Carlton Parish Council

2018

Carlton Charity Lands uses the annual rental income from two fields in the parish of Carlton to offer financial assistance to young people at the early stages of their careers. Grants are made to help with the costs of apprenticeships, buying books, equipment, fees and travel costs.

To encourage applications, an article about the work of the Trust has appeared in every issue of Carlton News. Application forms have been placed in the Church and posters placed in the bus shelters and notices included with the flyer for the annual village fete.

During 2017 a total of 8 grants were made involving £1145.00. The finance was provided for, amongst other things, course fees and equipment.

At the start of 2018, one of the Trustees, Andrew Mitchell moved from the village and resigned as a Trustee. The Parish Council has appointed Andrew Tee, a resident of the village, to the vacancy.

The next meeting will take place in November 2018.
